

YEAR OF MERCY PRAYER

O Lord Jesus Christ, You are the way, the truth and the life. Bestow upon us Your mercy, that when we have rejected You and chosen rather the way of sin, we may, through Your grace, return to the way You have prepared for us. Grant us Your wisdom so that we may share the truth You have revealed to us, and by doing so, bring others into Your merciful care. Keep us, O Lord, close to Your most Sacred Heart, so that in this life we may strive to attain the eternal life You have prepared for us with Your Father. Bless our parish, Holy Angels, and all those who will pass through her doors during this Jubilee Year of Mercy that they may recognize that You, Lord Jesus, are the door through which the love of the Father passes. We ask all this, through the intercession of our Blessed Mother, all the saints and holy angels, and in accordance with Your Holy Will, which is Love and Mercy itself. Amen.
